EXPLANATORY NOTE.

It is the policy of Government to spread basic education throughout the State, as early as possible. Private managements which come forward to open institutions to train people in basic education are given financial aid from the State funds. Such institutions which have been admitted for aid by the Education Department are eligible for the following grants from the State funds:-

(1) Teaching grant.
(2) Stipendiary grant.
(3) Building grant.

Provision was made in the Budget Estimate for 1950-51 as

as follows for the payment of grants to aided basic training schools:--

(1) Teaching Rs.99,600.
(2) Stipendiary Rs.2,65,600
(3) Equipment of Rs.25,500.

The Director of Public Instruction has permitted the opening of two aided basic training schools, one at Tiruchitrambalam (Tanjore district) and another at Ujire (South Kanara district) in the current year. He recommends the payment of teaching and equipment grant for these two institutions in 1951-1952 on the following basis:-

(1) Teaching grant -- Rs.5,000 at the rate of Rs.2,500 for each school.

(2) Equipment grant - Rs.4,000 at the rate of Rs.2,000 for each school

He also anticipates that a grant to the extent of Rs.20,000 will have to be paid to the new basic training schools to be opened in 1951-52 under private managements towards the payment of stipends to the candidates, undergoing the training. According to him a provision of Rs.11,000 should also be made in the Budget Estimate for 1951-52 towards the payment of a building grant to the Mahatma Gandhi Aided Basic Training School at Vantilkadi.

This Department, therefore, recommends that provision as indicated in the summary at the top, may be included under Part II of the Budget Estimate for 1951 - 1952..
